### Answer Key

Positive	Comparative	Superlative
cold	faster	tallest
sweet	more beautiful	brightest
strong	louder	most careful
kind	smarter	neatest
big	better	worst
good	heavier	happiest
high	more delicious	slowest

(Note: “good” is irregular → better (comparative), best (superlative), though “best” wasn’t in the list.)

“Happier” is comparative, but it was listed as “happier” in the word bank — included above as superlative **“happiest”** assuming a typo — please adjust based on the actual word form provided.
