## The Mysterious Mountain Race" – An Adjective Adventure

**Instructions** - Read the story below. In each blank, you will find an adjective in parentheses. Write the **correct comparative or superlative form** of that adjective to complete the sentence in a way that makes sense. Think about whether the sentence is comparing two things or showing the top degree.

### The Mysterious Mountain Race

Three brave friends — Mia, Leo, and Nora — decided to climb **Mystic Peak**, one of the (tall) \_\_\_\_\_ mountains in the country. They wanted to see who could reach the top the (fast) \_\_\_\_\_.

Mia, being the (strong) \_\_\_\_\_ of the three, quickly took the lead. Nora was a bit (slow) \_\_\_\_\_, but she had packed the (light) \_\_\_\_\_ backpack, which helped her move steadily.

As they climbed higher, the weather grew (cold) \_\_\_\_\_ than they expected. The path became (narrow) \_\_\_\_\_ and (steep) \_\_\_\_\_ with every step. Leo slipped on the rocks and took a (bad) \_\_\_\_\_ fall than he had on any of their previous climbs.

Mia stopped to help him, showing she was not only the (brave) \_\_\_\_\_, but also the (kind) \_\_\_\_\_. Nora reached the top first, shouting, "This is the (amazing) \_\_\_\_\_ view I've ever seen!"

In the end, all three agreed that the experience was far (exciting) \_\_\_\_\_ than they had imagined. And though Nora was technically the winner, they all felt like the (happy) \_\_\_\_\_ climbers in the world.
