## Compare The Camps

**Directions:** Read the two passages below carefully.

### Passage A: Mountain Camping

Camping in the mountains means cool nights, tall trees, and sometimes hiking up steep trails. Campers bring warm sleeping bags and build fires to stay cozy.

### Passage B: Beach Camping

Camping at the beach means warm breezes, sandy ground, and listening to the sound of waves at night. Campers often bring light blankets and enjoy swimming during the day.

**Same or Different:** Read each statement below. Write **Same** if the statement shows a similarity between mountain camping and beach camping. Write **Different** if it shows a difference.

1. Both campers bring supplies to help them stay comfortable overnight. \_\_\_\_\_
2. Mountain campers use warm sleeping bags, but beach campers bring lighter blankets. \_\_\_\_\_
3. Mountain camping has tall trees and cool nights, while beach camping has sandy ground and warm breezes. \_\_\_\_\_
4. Both campers enjoy nature during their trip. \_\_\_\_\_
5. Beach camping includes swimming in the ocean; mountain camping includes hiking on trails. \_\_\_\_\_

**Questions:** Answer the following at the back of this sheet or in your notebook.

1. Which detail shows how campers at both places prepare in a similar way?
2. Which detail shows how the environments are different?
3. What activity is unique to beach camping?
4. Which camping trip would you prefer, and why?
