Two-Scene Comparison

Directions: Study the two illustrations described below. Use observable details only. Write one short paragraph that compares how the two scenes are alike and different.

Picture A: A sunny beach with smooth sand, gentle waves, and a colorful kite flying high above the water. A sandcastle stands near the shoreline, and two seashells sit beside it.

Picture B: A snowy hillside with soft white snow, children bundled in coats pulling a red sled, and a small snowman wearing a scarf. In the background, pine trees are covered in frost.

Compare the two scenes using clear details and complete sentences.
