

Name _____

Real Comparisons

Directions: Read each problem. Compare the fractions and answer the question using $<$, $>$, or $=$, or write which amount is greater.

- 1) Maya read $\frac{3}{8}$ of a book. Noah read $\frac{5}{8}$ of the same book. Who read more?

$$\frac{3}{8} \text{ — } \frac{5}{8}$$

- 2) A recipe uses $\frac{1}{2}$ cup of milk. Another recipe uses $\frac{3}{4}$ cup of milk. Which recipe uses more milk?

$$\frac{1}{2} \text{ — } \frac{3}{4}$$

- 3) Liam walked $\frac{2}{3}$ mile. Ava walked $\frac{4}{6}$ mile. Who walked farther, or did they walk the same distance?

$$\frac{2}{3} \text{ — } \frac{4}{6}$$

- 4) Emma filled $\frac{5}{10}$ of a watering can. Ben filled $\frac{3}{5}$ of a watering can. Who filled more?

$$\frac{5}{10} \text{ — } \frac{3}{5}$$

- 5) Sofia finished $\frac{7}{8}$ of her puzzle. Ethan finished $\frac{3}{4}$ of his puzzle. Who finished more?

$$\frac{7}{8} \text{ — } \frac{3}{4}$$

- 6) A blue ribbon is $\frac{5}{12}$ meter long. A red ribbon is $\frac{1}{3}$ meter long. Which ribbon is longer?

$$\frac{5}{12} \text{ — } \frac{1}{3}$$

- 7) Olivia completed $\frac{2}{5}$ of a hiking trail. Lucas completed $\frac{1}{2}$ of the same trail. Who completed more of the trail?

$$\frac{2}{5} \text{ — } \frac{1}{2}$$

- 8) Two flower beds were planted. One has $\frac{4}{9}$ planted, and the other has $\frac{5}{9}$ planted. Which flower bed has more planted?

$$\frac{4}{9} \text{ — } \frac{5}{9}$$
