

Name _____

Words Of Healing Answer Key

1. loss
2. healing
3. support
4. cope

Teacher's Guide:

- **Differentiation Tips:** Read the words and definitions aloud. Provide picture cues for each term, such as a heart for healing or two hands together for support.
- **Engagement Idea:** Have students act out short role-play situations that demonstrate each word, like comforting a friend or taking a deep breath to calm down.
- **Extension Activity:** Ask students to create a "Grief Word Booklet" where they define each term in their own words and draw an illustration for it.
- **Support Strategy:** Reinforce positive coping language by using these words during daily emotional check-ins, helping students connect vocabulary to real experiences.
