

Name _____

Negative Emotions Vocabulary Answer Key

1. lonely
2. sad
3. angry
4. confused

Teacher's Guide:

- **Differentiation Tips:** Read the descriptions aloud for students who need auditory support. Offer visuals of facial expressions to help students identify emotions.
- **Engagement Idea:** Have students make "emotion detective" cards where they draw or describe faces for each feeling word.
- **Extension Activity:** Invite students to write a short sentence about a time they felt one of these emotions and how they handled it.
- **Support Strategy:** Allow students to discuss answers in pairs before writing to encourage verbal processing and emotional language development.
