Teacher's Guide:

- **Differentiation Tips:** Read the story aloud for students who need support. Use visual aids (balloon images, emotion cards) to reinforce understanding of feelings.
- **Engagement Idea:** Have students draw Emma's balloon journey through the sky and describe what might happen next.
- **Extension Activity:** Invite students to write about something they lost and how they felt, focusing on how they coped or what helped them feel better.
- **Support Strategy:** Discuss with students how sharing emotions with others can make sadness easier to handle and build emotional vocabulary.
