

Count On the Pitcher Answer Key

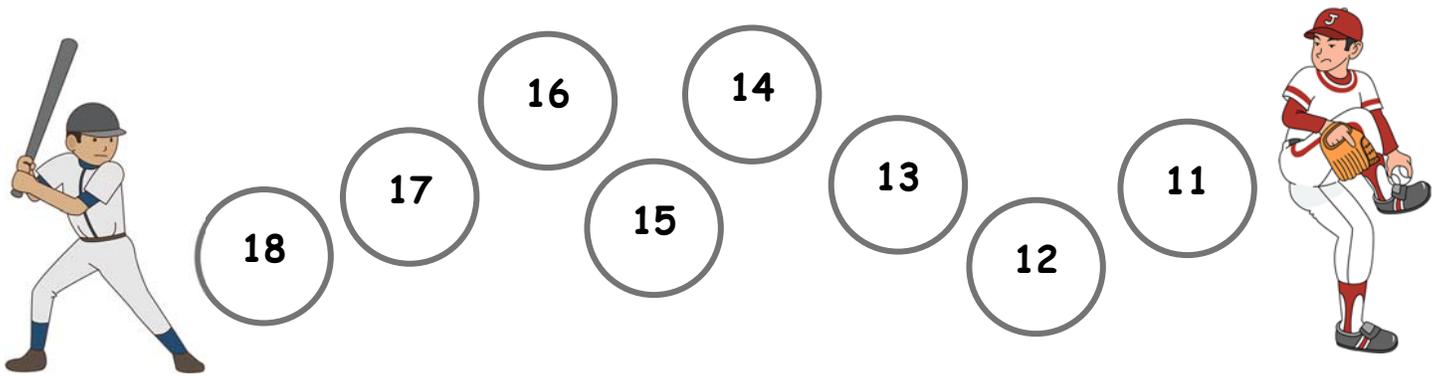

Complete the path of the baseball to the batter by counting on.

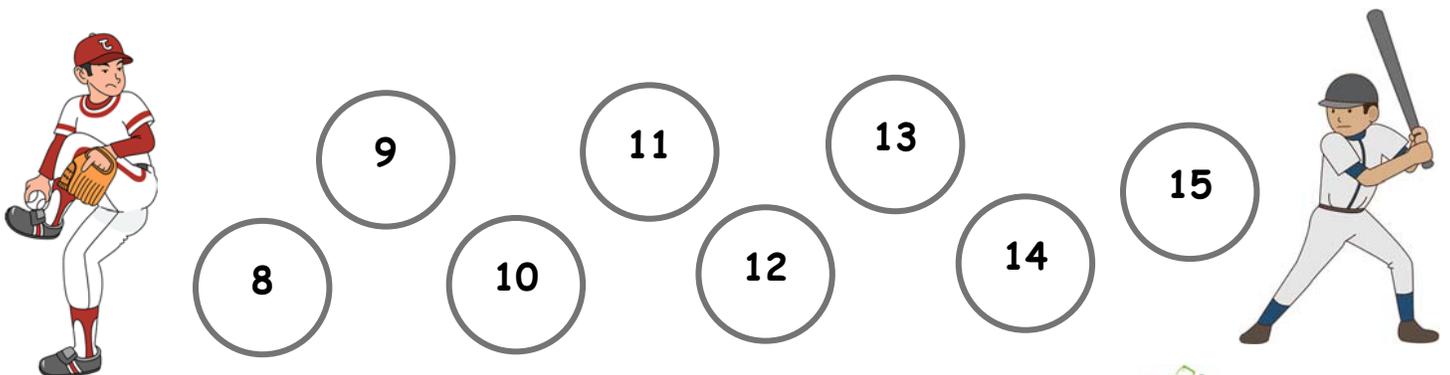

A pitcher in a red and white uniform is on the left, and a batter in a grey and white uniform is on the right. A path of seven circles connects them, containing the numbers 13, 12, 11, 10, 9, 8, and 7 in descending order from left to right.

A pitcher in a red and white uniform is on the left, and a batter in a grey and white uniform is on the right. A path of seven circles connects them, containing the numbers 3, 4, 5, 6, 7, 8, and 9 in ascending order from left to right.

A pitcher in a red and white uniform is on the left, and a batter in a grey and white uniform is on the right. A path of seven circles connects them, containing the numbers 18, 17, 16, 15, 14, 13, and 12 in descending order from left to right.
