## Honoring A Legacy

**Directions:** Choose one person you admire-this can be a family member, ancestor, or a historical hero. Write a one-page profile that includes **who they are, their legacy or lasting impact**, and **three meaningful artifacts** you would place on their Day of the Dead altar (and explain why each one belongs there). You may include optional printed pictures or hand-drawn illustrations.

### Writing Prompts:

- **Who:** Who is your ancestor or hero? What do you know about their life or background?
- **Legacy:** What lasting mark did they leave on others or on history? How do you think their story inspires people today?
- **Three meaningful artifacts**

Finish with a short reflection: How would you celebrate or honor this person during Día de los Muertos?
