### Teacher's Guide

**Skill Focus:** Builds digital citizenship, empathy, and assertive decision-making in online environments.

### Differentiation Tips:

- Discuss each scenario aloud to ensure comprehension before answering.
- Allow students to justify their answers verbally if writing is a challenge.

### Engagement Ideas:

- Have small groups create one new "safe social media choice" scenario to share with the class.
- Use real-world examples of positive online campaigns as models for discussion.

### Extension Activities:

- Students design a short "Think Before You Post" poster with digital safety tips.
- Link to a lesson on cyberbullying and reputation management for real-life application.
