

Name _____

Effects of Ivan's Life

Directions: Fill in the chart by identifying Ivan's **choices/actions** and the resulting **effects** on his life, relationships, and suffering.

Ivan's Choice/Action	Immediate Effect	Long-Term Consequence
1. Marries Praskovya mainly for social convenience		
2. Pursues career advancement and social respectability above all else		
3. Ignores signs of illness at first and insists on normal routines		
4. Maintains appearances and hides suffering from family and colleagues		
5. Rejects genuine emotional connection until near death		

Reflection: What lesson can modern readers take from Ivan's chain of choices and their painful outcomes?
