Modern Loman Lessons

Directions: Arthur Miller used Willy Loman's story to explore themes that remain relevant: the **American Dream** and **family pressures**. Complete the activities below to connect these themes to the modern world.

Quick Connection: Match each theme from the play with one modern example.

Theme	Example from <i>Death of a Salesman</i>	Example from Today's World
The American Dream		
Family Pressures		

Reflection Questions

1. Do you think the American Dream today is still about money and status, or has it changed? Explain with an example.

2. In your opinion, which theme, **the American Dream** or **family pressures**, causes more struggles for people now? Why?
