Teacher's Guide

Tips for Use

- Have students work individually first, then discuss matches as a class
- Encourage students to underline or circle keywords that show the relationship between cause and effect
- Conduct a quick review of the word "grievance" before beginning

Differentiation

- Pair students who may need reading support
- Provide sentence starters for explanation if used as a writing extension
- Challenge advanced students to write one additional cause and effect related to colonial independence

Extension Ideas

- Students write a short paragraph describing which grievance they think was most unfair and why
- Create a classroom timeline showing changes and events that pushed colonists toward independence
- Have students illustrate one cause and its effect in a simple comic panel format
