## Inquiry Chain

**Directions:** You will start with one simple idea (given as a **declarative sentence**). Your task is to **turn it into a chain of three interrogative sentences**. Each new question should **connect to the one before it** and go deeper into the topic, like links in a chain. Below is an example.

**Declarative:** *The zoo is open today.*

- Q1: Is the zoo open all day today?
- Q2: What animals can we see at the zoo?
- Q3: Can we buy tickets online for the zoo?

1. The library has many books.

1.
2.
3.

2. The team won the game.

1.
2.
3.

3. The science experiment was successful.

1.
2.
3.

4. The store sells fresh fruit.

1.
2.
3.
