## Decode And Color

**Directions:** Read the passage carefully one time through. Use **different colors** to highlight the following patterns:

- **Short vowels (a, e, i, o, u)** → Yellow
- **Digraphs (sh, ch, th, wh, ph)** → Green
- **Blends (bl, cl, st, gr, tr, etc.)** → Blue

After highlighting, reread the passage aloud. Pay attention to the sounds you marked. Answer the practice questions at the end.

### Decodable Passage

"The **ship** is on the **sand**. A **crab** will **grab** a **clam**. The **thin** man has a red **hat**. He will **step** on the **log** and see a big **frog**."

### Practice Questions

1. Which word in the passage has the digraph **sh**?

2. Find two words with a **short a** vowel sound.

3. What blend is in the word **grab**?

4. Which word ends with the digraph **og**?
