

Name _____

Fluency Scoops

Directions: Each “scoop” has a short decodable phrase. Start with one scoop, read it aloud smoothly. Add the next scoop underneath to build your ice cream cone, rereading all scoops in order each time. Continue until you have read all the scoops and built the tallest cone! For extra practice, pair up with a friend and take turns reading each cone aloud.

Cone 1:

- red hat
- big cat
- sat on mat
- nap in sun

Cone 2:

- hot log
- fat pig
- dig in mud
- hop to bed

Cone 3:

- ten men
- win a pin
- sit and grin
- sip the cup

Challenge Extension

- Build your own cone! Write 3-4 new decodable phrases that rhyme or follow a word family pattern (e.g., “bat on mat,” “rat in hat”).
- Read your new cone aloud with fluency and share it with a partner.
