

Name _____

Word Chain Quest

Directions: Begin with the first word in the chain. At each step, change **only one letter** (beginning, middle, or ending sound) to make a new real word. Read each word aloud as you build the chain. Continue until you reach the final word. After finishing, reread the entire chain from start to finish smoothly and quickly.

1. **cat** → → → → **log**

2. **pen** → → → → **sit**

3. **map** → → → → **top**

4. **fin** → → → → **mad**

Challenge Relay

- Create your own chain of **5 words**. Start with "hat" and end with "bed."
- Remember: change only **one letter per step**, and every word must be real and decodable.
- Read your chain aloud three times to build fluency.
