Multi-Character Description and Growth Over Time Answer Key

Sample Response:

1. Amelia goes from being a know-it-all and impatient to becoming more considerate and encouraging toward others.
2. Jonah grows from being reserved and quiet to taking initiative and showing more social confidence.
3. At first, Amelia is dominant and impatient, while Jonah is withdrawn. By March, they both show more balance—Amelia becomes kinder, Jonah becomes more outgoing.
4. **Amelia** started the year as the student who always needed to be right. She often spoke over others and avoided teamwork. But over time, she began listening more and showing kindness to classmates. Her competitive edge softened into collaboration. She became someone others could turn to, not just for answers, but for support.
