### Part 2: Mini Mood Makeover Scenes

Choose **2** of the flat emotional sentences below. Expand each one into a **3-5 sentence mini scene** that *shows* the emotion rather than telling it.

- A. I was embarrassed in front of the class.
- B. He felt proud after winning the race.
- C. She was scared during the thunderstorm.
- D. They were bored in the meeting.

#### Example Start:

Flat: *I was embarrassed in front of the class.*

Mini Scene: *My face burned as I stumbled over the words. A few kids giggled, and I wished I could sink through the floor. I stared at my shoes, my heart thudding louder than my voice.*
