## Read Between the Lines Answer Key

### Sample Responses

*(Students may infer slightly different emotions as long as their explanation is supported by the text.)*

---

#### Case 1

**Inferred Emotion:** Nervous / Anxious

**Why:** Liam is repeatedly checking the textbook and tapping his pencil, which shows restlessness. His bouncing foot adds to the sense of anxiety or worry.

---

#### Case 2

**Inferred Emotion:** Uncomfortable / Out of place

**Why:** Aria is standing away from the group, not engaging, and frequently checking her phone. Her crossed arms suggest she doesn't feel relaxed.

---

#### Case 3

**Inferred Emotion:** Angry / Frustrated

**Why:** Carlos slams his locker and has clenched fists and a tight jaw, all physical signs of anger. Ignoring his friends and looking ahead shows he doesn't want to talk.

---

#### Case 4

**Inferred Emotion:** Excited / Joyful

**Why:** Jade is spinning, shouting, and smiling. Her flushed cheeks and sparkling eyes show high energy and enthusiasm.
