

Name _____

City And Wild

Directions: Write two separate descriptions. One should depict an urban environment. The other should depict a natural environment. Use strong details to show contrast.

1. **Urban Environment Description:** Describe an urban place filled with structures, sounds, movement, and people. What do you see? What do you hear? What details show city life?

2. **Natural Environment Description:** Describe a natural place defined by landforms, vegetation, weather, and wildlife. What makes it peaceful or powerful? What elements show nature's presence?

3. Write two sentences explaining one major **difference** between your urban and natural descriptions.

4. Write one sentence explaining one **similarity** the two places share, even though they contrast.

5. List three descriptive words or phrases you used that you feel are especially effective.
