

Name _____

Setting Mood Shift

Directions: Read the neutral paragraph below. Then revise it twice to show two different tones. Use descriptive details that shape the mood you choose.

The walkway stretched along the edge of the water. A few trees lined the path. Small boats rested near the shore, and the air was still.

1. Choose your first mood: **ominous**, **joyful**, or **lonely**. Write the mood here.

2. Rewrite the paragraph to show that mood. Use descriptive details that change the atmosphere.

3. Choose a different mood from the list. Write the second mood here.

4. Rewrite the paragraph again to match this second mood.

5. Explain which specific words or images created each mood.
