

Name _____

Day And Night

Directions: Rewrite the same setting two times. First describe it in **daylight**, then describe it at **night**. Use sensory details to show how the mood and atmosphere change.

Your Setting: A Quiet Hilltop

Part 1: Daylight Description → Describe the hilltop in daylight. Think about colors, movement, sounds, and the overall feeling of the place. Write 3 to 4 sentences.

Part 2: Nighttime Description → Describe the same hilltop at night. Think about shadows, silence, new sounds, and how the mood might shift. Write 3 to 4 sentences.
