## Add Mood To Neutral

**Directions:** Read the neutral setting description below. Rewrite it once to create a **peaceful** mood and once to create a **tense** mood. Focus on strong word choice and sensory detail.

*A narrow path winds through a stretch of tall grass behind an old fence. A few trees stand nearby, and the air is still.*

### Part 1: Peaceful Mood Rewrite

Rewrite the scene so it feels calm, gentle, or comforting. Write 3 to 4 sentences.

### Part 2: Tense Mood Rewrite

Rewrite the scene so it feels uneasy, suspenseful, or dangerous. Write 3 to 4 sentences.
