## Mood Lines

**Directions:** Write a short dialogue for each prompt that clearly **shows the mood** through word choice, tone, and action clues. Do not name feelings directly.

**1. Tense Mood:** Two friends are searching for something important they dropped as the sky grows darker.

**2. Joyful Mood:** A team just discovered that their project works better than expected.

**3. Mysterious Mood:** Two characters hear a noise coming from a place they thought was empty.
