Theme And Dialogue Match

Directions: Read each dialogue. Match it to the most fitting theme: **freedom, friendship, or change**. Circle the correct theme. Then, create your own short dialogue that subtly connects to one of the three themes without naming it directly.

1. Freedom / Friendship / Change

"You don't have to follow the exact same route everyone else takes," Jamie said. "Yeah," Alana replied. "I think I'm finally ready to try something different."

2. Freedom / Friendship / Change

"I know you messed up," Leo said.

"Are you mad?" Quinn asked.

"No. I'm still here, aren't I?"

3. Freedom / Friendship / Change

"I can't wait for the audition list to come out," Mira said.

"Whatever happens, it means we get a fresh start," Taryn replied.

4. Freedom / Friendship / Change

"You could skip practice today," Kai suggested.

"No way," Nia said. "Running makes me feel like I can breathe again."

5. Freedom / Friendship / Change

"I thought you forgot about me," Rowan said.

"Never," Jace answered. "You just took a little longer to find."

Choose one theme: **freedom, friendship, or change**. Write a short dialogue that hints at the theme without stating it directly.
