Name _____

Match The Question Answer Key

1. **Literal** - Directly stated in the passage.
2. **Inferential** - Interprets Mei's feelings from context.
3. **Evaluative** - Opinion-based, extending beyond the text.
4. **Literal** - Explicitly described in the passage.
5. **Inferential** - Logical prediction about what could happen without the festival.

Teacher Notes:

- This activity helps students *reverse-engineer* questions by analyzing answers.
- Encourage students to justify their match-ups: "How do you know this is literal/inferential/evaluative?"
- Evaluative responses should emphasize reasoning over "correctness."
