Name _____

Evaluation Debate Answer Key

Sample Evaluative Responses (answers will vary):

- *Yes:* Emma's achievement was valuable because she carried on her grandmother's tradition, impressed the audience, and gained pride in her effort.
- *No:* Winning matters more in competitions, and although Emma did well, the top prize would have given her greater recognition.

Sample Defenses:

- *Yes Defense:* "Emma proved her skills and honored her grandmother. Audience support shows her pie was meaningful, even without the trophy."
- *No Defense:* "The contest was about winning, and the professional baker proved superior. Emma should keep improving if she wants first place next year."

Teacher Notes:

- The focus here is on **evaluative reasoning**; students should form judgments and defend them with text-based or personal reasoning.
- There is **no single correct answer**; success is measured by the **quality of defense**.
- To deepen the activity, pair students for a mini-debate: one must argue *yes* and the other *no*.
