Name _____

Question Levels Answer Key

1. **Answer:** The mayor announced the tower would be repaired.
    - **Type:** Literal (directly stated).
2. **Answer:** They gathered in the square, listened, and some cried.
    - **Type:** Literal (described in the passage).
3. **Answer:** Because the tower's chimes symbolized memories, history, and pride.
    - **Type:** Inferential (not stated, but implied by reactions).
4. **Answer:** (Varies; e.g., Yes, because they preserve history; or No, because it costs too much.)
    - **Type:** Evaluative (opinion-based).
5. **Answer:** The details include tourists taking pictures, townspeople watching repairs, and emotional reactions to the chimes.
    - **Type:** Inferential (requires gathering and interpreting textual evidence).
6. **Answer:** It had not worked in years, with weathered stone and rusty hands.
    - **Type:** Literal (directly described).

Teacher Notes:

- Encourage students to justify their choice of question type by pointing to textual evidence.
- Questions 3 and 5 push deeper inferencing, while question 4 opens evaluative debate.
- This mix ensures students practice *both answering* and *classifying* question types.
