

Name _____

Diphthong Odd Pick Answer Key

1. cat
2. mop
3. pen
4. sit
5. map
6. leg
7. rug
8. bat

Teacher's Guide

- This worksheet reinforces recognition of **diphthong spelling patterns** by requiring students to compare words within each row. Encourage students to read each word aloud to hear the vowel sound clearly.
- Support learners by reviewing the diphthongs before beginning. Provide a small reference card showing **oi, oy, ou, ow** and sample words.
- Increase engagement by letting students use highlighters or colored pencils. One color for diphthongs, a different color for the odd one.
- For extension, invite students to create their own odd-one-out row using three diphthong words and one non-diphthong word, then swap with a partner to solve.
