## Diphthong Riddle Hunt Answer Key

1. coin
2. snow
3. boy
4. mouse
5. tow
6. cloud
7. howl
8. toy

### Teacher's Guide

- This worksheet builds vocabulary and inference skills by combining **diphthong word recognition** with riddle solving. Encourage students to think about both meaning and sound when choosing a word.
- For students who need support, preview a small list of diphthong words before starting. Let them match each riddle to a possible word aloud.
- Increase engagement by inviting students to read the riddles dramatically or draw a picture of one riddle after solving it.
- For extension, have students write their own diphthong riddles and exchange them with classmates. They can also underline the diphthong in each answer word.
