

Name _____

Dividing by Tens: Fill-in-the-Rule Worksheet

Instructions: Solve each problem and fill in the blank. Use the rule:

Dividing by **10** → cross off **one zero** (or move digits one place to the right).

Dividing by **100** → cross off **two zeros** (or move digits two places to the right).

Dividing by **1000** → cross off **three zeros** (or move digits three places to the right).

1) $600 \div 10 = \underline{\quad}$

11) $5,000 \div 100 = \underline{\quad}$

2) $7,000 \div 10 = \underline{\quad}$

12) $1,400 \div 100 = \underline{\quad}$

3) $4,500 \div 100 = \underline{\quad}$

13) $54,000 \div 1000 = \underline{\quad}$

4) $12,000 \div 1000 = \underline{\quad}$

14) $910 \div 10 = \underline{\quad}$

5) $300 \div 10 = \underline{\quad}$

15) $2,200 \div 100 = \underline{\quad}$

6) $36,000 \div 1000 = \underline{\quad}$

16) $75,000 \div 1000 = \underline{\quad}$

7) $250 \div 10 = \underline{\quad}$

17) $450 \div 10 = \underline{\quad}$

8) $9,900 \div 100 = \underline{\quad}$

18) $18,000 \div 100 = \underline{\quad}$

9) $81,000 \div 1000 = \underline{\quad}$

19) $63,000 \div 1000 = \underline{\quad}$

10) $120 \div 10 = \underline{\quad}$

20) $2,500 \div 10 = \underline{\quad}$
