

Name _____

True or False Worksheet Answer Key

1. True
2. False (divisor is not the answer; quotient is)
3. True
4. True
5. False (20 is the dividend)
6. True
7. True
8. True
9. False (divisor can be smaller or larger than dividend)
10. True
11. False ("R1" shows the remainder)
12. True
13. True
14. True
15. True
16. False (8 is the divisor; 48 is the dividend)
17. True (some quotients have remainders)
18. True
19. True
20. False (remainder is what's left over; divisor tells how many groups)
