Teacher's Guide

- **Differentiation Tips:**
 - For younger or struggling readers, provide picture cues of each vocabulary term.
 - Encourage older or advanced students to write sentences using each word in context.
- **Engagement Ideas:**
 - Create a "Diwali Word Wall" in class and let students illustrate the meaning of one term each.
 - Play a quick oral review game: read a definition aloud and have students call out the correct word.
- **Extension Activities:**
 - Have students research another Diwali-related word (like *Ravana* or *celebration*) and write a short description.
 - Invite them to create a mini-glossary booklet of important Diwali words with pictures and examples.
