Sparks of Change

Directions: Research the topic below and write a short persuasive paragraph (or prepare talking points) that argues **for or against** replacing traditional Diwali fireworks with eco-friendly alternatives. Use facts, examples, or emotional appeals to support your point of view.

Debate Prompt: Fireworks have been a bright symbol of celebration during Diwali for centuries. However, concerns about **air pollution, noise, and animal safety** have grown in recent years. Many people now suggest using **eco-friendly fireworks** or replacing them entirely with **light shows, lanterns, or digital displays**.

Should Diwali traditions adapt to protect the environment, or should people preserve the joy and cultural symbolism of fireworks? Choose a side-and make your case!
