Directions: Read the short Diwali story below. Then replace each underlined word with a stronger or more descriptive synonym that fits the meaning of the sentence. Be creative and make your writing shine!

"Lights and Laughter"

On Diwali night, the streets looked bright with glowing lamps and sparkling fireworks. Everyone felt happy as families gathered to share sweets and smiles. The food smelled good, and the decorations made every home look pretty. People spoke kind words and made nice wishes for the year ahead. It was a truly special time full of joy and light.
