## Conversation Crafter

**Directions:** Use the guiding prompts below to help you write short two-person dialogues. Each pair of characters should use **do**, **does**, or **did** correctly in natural conversation. Be creative and make each dialogue sound real!

1. Two friends are planning a class project.

2. A student is asking a teacher about homework.

3. A parent and child are talking about yesterday's chores.

4. Two teammates are talking before a big game.

5. Two classmates are talking about who brings snacks for a party.
