

Name _____

Grammar Rescue Crew

Directions: Read the paragraph below. It is full of "grammar emergencies" involving **do**, **does**, and **did**. Circle each mistake, then rewrite the paragraph correctly on the lines provided to bring it back to life.

Every morning, my friends do their best to arrive on time, but my brother always do forget his backpack. When we get to school, our teacher do check our homework, and I hope she did find mine complete this time. Last week, I does forget to bring my notebook, and she wasn't happy about it. My parents does remind me every day to be prepared, but sometimes I still forget. Yesterday, I do promise to be more responsible, and I think I finally does it right today.

Rewrite the corrected paragraph here:
