Name _____

Morals in Madness

Directions: Read each scenario from *Don Quixote*. Then, match it to the most appropriate moral lesson from the box. Write the correct letter in the blank.

A. True courage means facing reality, not illusions.
B. Loyalty can bring both rewards and hardships.
C. Foolish pride can lead to suffering.
D. Imagination can inspire, but it must be balanced with reason.
E. Justice must be guided by wisdom, not blind impulse.
F. Appearances can be deceiving.

1. Don Quixote attacks windmills he believes are giants. (___)

2. Sancho Panza follows Don Quixote on dangerous and often silly adventures. (___)

3. Don Quixote frees prisoners who later turn on him. (___)

4. Don Quixote insists Dulcinea is a noble lady under enchantment when she is actually a peasant. (___)

5. Don Quixote is badly beaten after rushing into battles he cannot win. (___)

6. Don Quixote's grand visions of knighthood inspire Sancho to dream, even though they cause problems. (___)

Reflection Question: Choose one moral lesson that you think is **most relevant today**. In 5-6 sentences, explain why modern readers can still learn from it, using examples from real life.
