

Name _____

Morals in Madness Answer Key

1. **D.** Imagination can inspire, but it must be balanced with reason.
2. **B.** Loyalty can bring both rewards and hardships.
3. **E.** Justice must be guided by wisdom, not blind impulse.
4. **F.** Appearances can be deceiving.
5. **C.** Foolish pride can lead to suffering.
6. **A.** True courage means facing reality, not illusions.

Sample Reflection Answer: The lesson "Appearances can be deceiving" is still very relevant today. People often judge others based on how they look, what they post online, or the image they present. Just as Don Quixote saw Dulcinea as an enchanted lady, we sometimes see what we want to see instead of the truth. This can cause misunderstandings or disappointment. Learning to look beyond appearances helps us make better choices and treat people more fairly.
