Cast of La Mancha Answer Key

1. D. Rocinante - Don Quixote's old horse.
2. E. The Barber - Works with the priest to burn books.
3. F. The Priest - Helps in trying to "cure" Don Quixote.
4. A. Don Quixote - He is the deluded would-be knight.
5. B. Sancho Panza - The earthy squire who follows him.
6. C. Dulcinea del Toboso - An ordinary woman imagined as a noble lady.

Bonus Challenge (sample): Don Quixote's imagination causes people around him to play along, trick him, or try to protect him. His visions of knighthood inspire loyalty in Sancho, but also frustration and concern from the priest and barber.
