Quixote Reimagined

Directions: At the end of *Don Quixote*, the knight returns home, regains his sanity, and dies peacefully. For this activity, you will **imagine an alternate ending** for Don Quixote's journey. Follow the steps below to guide your writing.

Step 1: Brainstorm

Pick one type of alternate ending you'd like to write:

- Don Quixote remains delusional until the end.
- Don Quixote achieves a heroic victory.
- Don Quixote discovers a "real" Dulcinea.
- Don Quixote and Sancho start a new adventure.
- (Your own idea) _____

Step 2: Write Your Ending

In 2-3 paragraphs, write your alternate ending. Be sure to include what happens to Don Quixote, what happens to Sancho Panza, and how this ending changes the theme of reality vs. illusion.
