## Quixote Reimagined Answer Key

(Teacher's Guide)

Since this is a creative writing activity, answers will vary. However, here are some possible outcomes and reflections:

- **Sample Alternate Ending #1:** Don Quixote defeats a real band of robbers, proving that even his illusions can create true heroism. → *Theme changes:* Suggests that dreams, even if unrealistic, can lead to real courage.
- **Sample Alternate Ending #2:** Don Quixote never recovers his sanity and dies still believing he is a knight. → *Theme changes:* Emphasizes the beauty (and danger) of living fully in one's imagination.
- **Sample Alternate Ending #3:** Don Quixote and Sancho set off on new adventures instead of dying. → *Theme changes:* Focuses on endurance, loyalty, and the endless pursuit of dreams.
