## Plotting Don Quixote

**Directions:** Below is a scrambled list of key events from *Don Quixote*. Number the events in the order they happened in the story. Then, complete the Reflection Question at the end.

- A. Sancho Panza is rewarded by being made "governor" of an island, though the role is mostly a trick.
- B. Don Quixote mistakes windmills for giants and attacks them, injuring himself.
- C. Don Quixote insists that Dulcinea is under an enchantment when Sancho presents an ordinary peasant woman as her.

### Sequencing Chart

1.
2.
3.

**Reflection Question:** In 3-4 sentences, explain how these three moments reveal the tension between **illusion and reality** in the novel.
