

Double Consonant Matching Answer Key

1. hopping - B
2. clapped - C
3. winner - F
4. slipped - A
5. hugging - E
6. sudden - D

Teacher's Guide

Skill Focus:

- Reinforces understanding that **double consonant words** not only follow a spelling pattern but also carry specific meanings.
- Supports vocabulary, decoding, and accurate usage in context.

Differentiation Tips:

- Provide picture clues for emerging readers to help connect the doubled word to its meaning.
- Have advanced students create sentences using both the doubled word and its base word to show meaning differences.

Engagement Ideas:

- Turn the matches into a memory game by writing words and meanings on separate cards for students to pair.
- Read the words aloud and let students act out the meanings before matching them.

Extension Ideas:

- Have students choose two doubled words and write original sentences for each.
- Challenge students to generate another doubled word and create their own meaning card for a partner to solve.
