

Name _____

Spot and Fix Double Negatives

Directions: Each of the sentences below contains a **double negative** that changes the meaning or makes the sentence unclear.

1. **Spot** the double negative by underlining both negative words.
2. **Fix** the sentence by rewriting it correctly.

1. I don't need no help with my science project.

Rewrite: _____

2. She hasn't never seen a shooting star before.

Rewrite: _____

3. They didn't do nothing during the class activity.

Rewrite: _____
