Dialogue Negative Fix

Directions: Read the conversation between Mia and Jake. The dialogue is full of **double negatives**. Rewrite their conversation so the sentences are clear and use **only one negative word per idea**. Write each dialogue in the provided speech bubbles.

Mia: I don't have no time to finish this project.

Jake: I can't hardly believe that. Didn't you start last week?

Mia: I didn't get no help from anybody in my group.

Jake: That's rough. I haven't never seen a group leave someone out like that.

Mia: Yeah, they didn't do nothing, so I had to do it all myself.

Jake: Don't worry, you haven't got no reason to give up now.
