

Name _____

Combining Multiple Details

Instructions: Read each passage carefully. Use more than one piece of information from the text to form your conclusion. Then answer the question that follows each passage in a **complete sentence** explaining your conclusion and how you reached it.

Passage 1 - Sara walked into the classroom with her eyes down. She didn't look at anyone and went straight to her desk. She sat with her arms folded and didn't take out any of her books. Her usual lunch partner, Jodie, gave her a small wave, but Sara didn't wave back.

Question: What can you conclude about Sara's mood or state of mind? Support your answer with at least two details from the passage.

Passage 2 - Tyrese's science notebook was covered in neat sketches and diagrams. Each page was dated, with notes written in full sentences. He stayed after class to ask questions about tomorrow's lab. When the teacher reminded the class that their science notebooks would be collected, Tyrese smiled and gave a thumbs-up.

Question: What can you conclude about Tyrese's habits and attitude toward science class? Use at least two pieces of evidence from the passage.

Passage 3 - Leo stared at the soccer field from the bleachers. He wore a hoodie with the team's logo but wasn't in uniform. When the coach called for the players to huddle, Leo looked away. He stood up and slowly walked toward the parking lot.

Question: What can you conclude about Leo's relationship to the soccer team? Support your answer with details from the passage.
