Combining Multiple Details Answer Key

(Note: Answers may vary slightly, but here are expected responses showing how students should combine information.)

1. **Sara is upset or withdrawn.** We know this because she avoids eye contact, doesn't respond to her friend, and doesn't take out her books, showing a change in behavior.
2. **Tyrese is organized and takes science seriously.** The neat notebook, asking questions after class, and his positive reaction to the notebook check all show he is prepared and engaged.
3. **Leo is likely no longer on the soccer team or feels left out.** He wears team gear but isn't in uniform, avoids looking at the coach, and leaves while the team huddles.
